

P31 Orientation: for First-Time Attendees & New Members.

This is the same as P22; the purpose of this workshop is to provide the participants with an opportunity to meet and network with other first-time conference attendees as well as members of the NACADA leadership. The workshop will be interactive with opportunities to make connections with each other and the association. In addition, the workshop will provide an overview of NACADA as well as the benefits of membership, including professional development opportunities and quality publications. The workshop will also provide the participants with a “roadmap” for getting the most out of the annual conference. Participants are encouraged to bring their conference program and spiral bound academic year planner from their conference portfolio with them to the session.
