Effectively Engaging Faculty in Academic Advising Seminar January 27–28, 2005

This seminar has been designed to provide participants, full-teaching faculty, advising administrators, and academic administrators, with the knowledge and strategies for effectively engaging faculty, and with professional development plans for faculty.

Topics

- Understanding the Scope of Academic Advising
- Connecting Teaching and Learning Skills to Academic Advising
- Developing Evaluation, Recognition and Reward Initiatives for Faculty Engagement in Advising
- Connecting Advising to Learning Outcomes
- Effective Strategies for Faculty Professional Development Workshops/Seminars

Academic Advising Administrators' Institute: January 30–February 1, 2005

The Academic Advising Administrators' Institute will be an intensive working experience focused on the knowledge base required for effective advising administrators. The Institute will also provide extensive opportunities for seeking solutions to current administrative concerns, expanding your network of colleagues, and providing hands-on strategies for improving the advising program on your campus.

Topics

- Advising Delivery Systems
- Assessment Programs
- Budget Management
- Evaluation and Reward
- Components of Successful Advising Programs
- Legal and Ethical Issues
- Successful Planning Strategies
- Technology in Advising
- Advisor Training/Development

“Outstanding experience! It helped me clarify a path for affecting a change on my campus.”—*Carol Doris, Georgia Perimeter College*

Assessment of Academic Advising Institute: February 2–4, 2005

This working institute will be an intensive two and a half days focused on the components of a successful assessment program as well as specific strategies and tools for developing and implementing assessment programs on your campus.

Topics

- Engaging in Assessment: What is it?
- Utilizing Assessment Results
- Gathering Evidence
- Understanding Assessment as a Collective Process
- Mapping the Learning Experience
- Developing Rubrics
- Identifying Resources
- Identifying and Developing Student Learning Outcomes

“I came with very little understanding of assessment. I am leaving empowered to help launch an assessment initiative in our college.”

Jane Jacobson, Iowa State University
