• Assess revised AI curriculum; Assess impact of offering of AS before AI.

• Assess the revised AS Curriculum; Assess impact offering AS before AI & Special Topics; Create Zoom event(s) for AS participants, post-event; Incorporate Poll Everywhere in AS
Emerging Leaders Advising Board

Desired Outcomes

• Increase understanding of membership of not only how to become engaged in the Emerging Leader Program (as both a leader and a mentor), but also provide information regarding how to become more involved within the organization.

• Provide opportunities for individuals to get involved, as well as understand their own unique leadership path within NACADA.
Desired Outcomes

• Educate Association membership regarding the current practices of advising student athletes.

• Targeted attention on providing continuing education opportunities to low resource institutions and HBCU’s (schools under-performing on NCAA APR success & retention metric)

• Educate Association membership regarding knowledge of NCAA rules, regulations, and legislation.
Publications Advisory Board

Desired Outcomes

• Review Advising Administration digest

• Gather & summarize data on popularity of custom publishing options for NACADA materials.
Desired Outcomes

• Complete phase 2 of the curriculum update to be responsive to our participants needs. Rethink the small working group structure of the institute to better serve the needs of both the individuals and the teams in attendance.

• Expand our faculty base for SI to ensure diversity and appropriate expertise at every level.
Desired outcomes

• Provide consultation to the EO on NACADA website functionality and other technology implementations as needed

• Continue to work with Michele Holaday and Jennifer Joslin on policy and practice suggestions for the EO social media initiatives

• Continue consultation with the EO and other units within NACADA on technology projects as they emerge, such as the LMS initiative.
Desired outcomes

• Continue to work on a communication plan to inform NACADA membership of what the Webinars are and to encourage people to submit proposals and be a presenter.

• Increase marketing for purchasing of Webinars
Desired Outcome

• Create a partnership with the John Gardner Institute that would establish an information gathering system and an option for NACADA’s consultants to review advising components because of institutions participating in the Gardner Institute.

• Institutions invite NACADA speakers to campus primarily to provide professional development to professional advisors, faculty advisors, advising administrators, and related advising personnel. Often these presentations are an opportunity for college and university administrators to learn as well.

• Implement recommendations from the review of past consultant/speaker visits by Eric White. This process allowed for a critical review of how the consultant reports are outlined. Establish a process for providing a web-based speaking opportunity for the AACSS speaker to present to International institutions.
Awards Committee

Desired Outcome

• Improve the quality and quantity of nominations for NACADA Awards and Scholarships

• Redesign “Awards Program” website to ensure it is easy to navigate and key information is easy to locate and understand

• Create a formalized sustainable leadership plan for the Global Awards Committee
Diversity Committee

Desired Outcomes

• Develop better connections with other NACADA committees/interest groups to support diversity.
• Connect with candidates not chosen for other leadership roles.
• Encourage membership to run for offices/get more involved.
Desired Outcomes

• Regularly review and discuss quarterly budget summaries.

• Continue exploring new investment opportunities and monitor existing ones for positive growth and capital preservation.

• Continue growing the Scholarship Fund and build on 2014-2015 ideas.

• Identify accounting concerns and/or necessary actions related to its growth.
Global Awards Committee

Desired Outcomes

• Improve quality and quantity of nominations for Awards and Scholarships
• Redesign “Awards Program” website to ensure ease of understanding.
• Create a formalized sustainable leadership plan for Global Awards Committee
Membership Recruitment & Retention Committee

Desired Outcomes

- Establish a common core for new member orientation (individual orientation and at regional conferences).
- Develop a new member orientation for NACADA international members.
- Continue development and formation of a “first year experience” for new NACADA members.
- Establish a NACADA “liaison” program (basis from the NACADA Advocate idea developed in 2013-2014)
- Create resources and connections for graduate students through web based and social media platforms.
Desired Outcomes

• Provide an online webpage for advisors, administrators, and others to see the culmination of the program providing a set of core competencies advisors and administrators can use to benchmark their professional development progress and use as a guidepost for developing their advising practice.

• In addition to the webpage our goals is to provide a series of zoom meetings to gather input and solicit feedback from the membership. By July, have a final document completed and ready to be edited and printed in the form of a pocket guide that will be distributed at the 2017 Annual conference in St. Louis.
Research Committee

 Desired Outcomes

• Recognize the importance of scholarly inquiry (S.I.) to the field of academic advising.
• Increase the utilization of scholarly inquiry to enhance the field of advising.
• Expand the field’s capacity to conduct scholarly inquiry.
• Promote the publication and presentation of research from the associations membership.
Sustainable Leadership Committee

Desired Outcome

- Submit a proposal for a Leadership Academy framework that provides a structure to train and support prospective NACADA leaders. The proposal will include the goals/outcomes with metrics for the Leadership Academy and its participants including a budget to startup and maintain the Leadership Academy.
