Mission: The Professional Development Committee (PDC)

- reviews the professional development activities of the Association and recommends new initiatives.
- identifies the professional development needs of the membership and recommends methods for addressing those needs.
- works with the Regions and Commission Chairs in cultivating opportunities for professional development to both current and prospective audiences (Policy Number: AD – 09).

Function: The PDC works both independently and collaboratively with other NACADA entities to carry out its general mission, as described above, and to address specific needs identified by the Executive Office, the Administrative Division, and/or the Board of Directors. For example, PDC members might work with entities such as the Webinar Advisory Board and the Publications Advisory Board to identify gaps in resources and publications. Or, they might work with entities such as the Summer/Winter Institutes Advisory Board and the Annual Conference Advisory Board to identify gaps in events and event curricula.

Membership: PDC members serve a two-year term and meet yearly on-site at the NACADA annual conference. Online meetings via the Zoom platform take place as needed throughout the year.

Responsibilities of All Members

1. Annual committee meeting
   a. **Who/When** – All committee members are expected to attend the yearly meeting at Annual Conference (which generally takes place in early October) and contribute to the discussion as needed. The exact day and time of the meeting varies and is determined by the Annual Conference coordinator, but meetings may be held on “pre-conference workshop” day.
   b. **What** – Business that needs to take place at this meeting will vary from year to year, but the following will be needed every year:
      - Subcommittees named
      - Goals for the coming year determined

2. Online meetings
   a. **Who/What/When** – All members are expected to attend any online called by the Chair and give input to the conversation as needed.

3. Subcommittee(s)
