Announcing our new Cluster Representatives

We are pleased to announce the new Advising Communities Division Cluster Representatives appointed to the division steering committee for the 2022-2024 term:

- Amy Sosanko
- Avi Rosenzweig
- Efrosini Hortis
- Maggie Jane Gilchrest
- Wiona Porath

At the end of the Annual Conference in October, they will take over for our outgoing cluster reps: Tony Lazarowicz, Teresa Sypolt, John Sauter, and Sarah Howard.

Please join us in offering them well-deserved congratulations!

We need your feedback!

Thank you again for getting all of your proposal reviews completed in the spring. It makes a world of difference to the Executive Office (EO) and Annual Conference committee, knowing the AC chairs are helping select the highest quality proposals. We recognize this is a lot of labor and appreciate all of your efforts.

Every year we look for ways to improve the process. To that end, we want to hear about your experiences with this year's AC Chair Proposal Review. Please complete this [simple survey](#) by June 24th so that we can begin discussions with the Annual Conference staff at the EO.
