AC Chair Newsletter – September 2022

Good morning ACD Leaders,
Please see a message below regarding a volunteer opportunity to help staff the ribbon table at Annual Conference.

Advising Community Chairs,

We are really looking forward to the upcoming conference in Portland, Oregon, October 23-26! We are reaching out for your help to staff the ribbon table throughout the first few days of the conference. This is a great way to introduce yourself to participants and make new connections as well as invite participants to attend the ACD Fair and meetings. We hope that you consider this volunteer opportunity and sign-up for one, two or even three times at the sign-up link below. Your help is extremely valuable, and we want to thank you in advance for helping to make this another great conference experience!
