Provide professional development opportunities that are responsive to the needs of advisors and advising administrators Create an inclusive environment within the association that promotes diversity	Make online professional development readily available to any member of NACADA Update the Commission Website as a good resource for our members!	Create online training about LGBTQA and Safe Zone topics Decide on specific topics Create content Design delivery modules Upload to the Website (Two trainings have content completed and just need voiceovers to be completed to be	Complete two trainings in progress and post to webpage. Continue to gather content and visuals for additional trainings. Completion goal of two by December 2016, two by March 2017, and the final two by July 2017. Feedback survey sent to commission members	I would like to see if we can connect our work to the Diversity Committee and Multicultural Concerns Commission, on which, I also serve. I'm going to ask my steering committee for ideas.	This is a pretty significant goal that is carried over from the last chair—we have made strides, but need to do more; I have a number of interested folks on the steering committee. I think the main challenge will be to clearly divide the work and expectations and then to check up on progress of these projects.		

		<p>ready for posting on our website. --Goal is to have them available online by 1/1/2017--Outlines have been created for an additional six trainings).</p> <p>Website is in serious need of updating!</p>
