**Award/Scholarship Title: Charlie Nutt Global Advising Award for Excellence**

**Due Date: April 1, 2023 – 11:59 p.m. central time**

**Award/Scholarship Description:** The Dr. Charlie Nutt Global Advising Award for Excellence would recognize an individual who has displayed an enthusiastic commitment to the field of academic advising. An individual who is nominated for this award has displayed this commitment by demonstrating collaboration, leadership, and innovation, and has served as a consistent advocate for the field of advising. This award would be presented annually to an individual who embodies the mission of NACADA and the advancement of student success through excellence in academic advising in higher education, particularly on a global scale.

This award would recognize the lifelong commitment to academic advising and higher education of Dr. Charlie Nutt. Naming this award addresses a void in the NACADA global awards program, by recognizing an individual who has contributed and advanced a broader perspective beyond their institution of the importance of NACADA's Global commitment. The Dr. Charlie Nutt Advising Award for Excellence strategically and intentionally highlights specific characteristics that a winner would embody. These qualities include excellence in commitment; excellence in advocacy; excellence in collaboration; excellence in leadership; and excellence in innovation. Additionally, the strongest candidates for this award would be successful in all of the above-mentioned categories, but at a more global level than other NACADA awards. While no minimum amount of time or service in higher education or advising is required to be eligible for this award, competitive applicants would be likely to have several years' experience in those fields.

*These one-time awards/scholarships are non-transferrable to another person or activity/event. Individuals may nominate themselves. Current NACADA Board members, NACADA Council members, Administrative Division Chairs, Region Chairs, Advising Community Chairs, Advising Community Cluster Reps, and NACADA Executive Office staff are not eligible for nomination. NACADA's Executive Office staff does not disclose who is nominated or how many individuals are nominated for any award/scholarship. Because we believe there is considerable strength in diversity, the selection committee strongly encourages applications from groups under-represented in the Association and its leadership.*
