Develop innovative and expanded opportunities for professional development that are relevant across the global contexts of academic advising.	Host Zoom Event sharing conference sessions to provide increased access to social justice professional development resources for those unable to attend the conference.	Identify presenters willing to re-present conference session; schedule, advertise and host event.	Log number of attendees and request session feedback.	Depending on session content reachout to appropriate AC(s) to co-sponsor event in order to reach a larger audience.	Identifying presenters may be an issue; if so, look to 2020 conference sessions to find presenters.		

Provide practices that allow members to identify and cultivate their long-term professional development and engagement with the association.	Host Zoom events for casual or formal conversations around social justice topics to exchange ideas, resources, best practices and provide opportunities to create connections.	Maintain list of available hosts who are able to send out topics and readings if applicable ahead of time, coordinate zoom hosting with EO and facilitate meetings.	Log number of attendees and request feedback on topic and format.	Depending on content reach out to appropriate AC(s) to co-sponsor events in order to reach a larger audience.	Identifying meeting hosts who can get system up and running, have a team of hosts to serve as back up to cover for each other.
