Cluster Summary Report – Fall 2015

Cluster Name: Advising Specific Populations III
Cluster Steering Committee Member: Sarah Champlin-Scharff

Common Goals or Themes (if any):
Develop and sustain effective leadership, which includes creating and maintaining an effective steering committee; Pursue innovative technology and resources to support the Association

Individual Goals and Progress to Completion for each CIG:

C/IG: Undecided/Exploratory Students
- Develop and sustain effective leadership. Has developed and has met with steering committee twice.
- Pursue innovative technology and resources to support the Association. In the process of drafting an updated Resources page for the commission page. Will send to Elisa on September 1.

C/IG: Multicultural Concerns
- Establish effective leadership within the commission. Will have steering committee established by annual conference.
- Establish effective communication with commission members. Have used the list-serv to make announcements. Also have set up a commission email through google in order to aid collaboration and to compile documentation for future commission leadership.
- Update the mission and purpose of the commission. Reviewed with group, but no changes will be made. However, there is a better understanding of the groups meaning.

C/IG: LGBTQA Advising and Advocacy
- Provide professional development opportunities in hope of increasing proposals and participation. Networking occurred on facebook, but it did not lead to further involvement and an increase in proposals.
- Pursue innovative technology tools and resources to support the Association. Online module content is in the process of being developed and will be loaded to the website when complete.

What support is needed for your cluster from the Division Reps or EO?
