Identify and remove barriers to accessibility of all opportunities for engagement and professional growth in the association to foster equity and inclusion for all members.	Social media/social-focused outreach and Netflix events	Educate the community members by sharing meaningful information through social media  Organize Netflix socials and discussions  Communication-post GEC events announcements	The subcommittee will identify and create social media platforms to inform members about the community activities, identify relevant short videos and other sharable materials that educate the membership on various issues	We will work with other communities to advertise our events.	The challenge will be creating and getting the content in a timely manner to post on social media	Netflix did not work but we are utilizing Facebook to communicate	Start an Instagram for the community following where we will post community relevant notification
