Develop innovative and expanded opportunities for professional development that are relevant across the global contexts of academic advising.	Create at least three webinars that support two year college advisor professional development.	Recruit guest presenters that are knowledgeable and have experience working in two year college advising.	The Two Year College AC will survey participants to determine if they believe the webinars provided added value to their membership.	Determine if there are opportunities to collaborate with other AC groups.	To insure that we are providing session on topics important to the AC, the Steering Committee will make sure to be conscious of timing of the events and remain flexible in planning.	No progress was made on this outcome yet for a new AC chair came on board late July.	Plan to generate discussion/webinar topics at the AC Business Meeting at the annual conference, the virtual Business Meeting, along with surveying the general AC via list-serv. Once topics are generated, plan on timeline of sessions.

Provide practices that allow members to identify and cultivate their long-term professional development and engagement with the association.	Create opportunities for networking opportunities for members of the AC.	Steering committee will expand its production of the Two Year College AC Newsletter and create at least two programs that support allowing its members to network.	The Steering Committee will track participation in these programs.	There is an opportunity to possibly include these events at each of the Regional Conferences. Steering Committee will explore.	For this to be achieved, the Steering Committee will need to seek assistance from AC members in each Region.	Progress has been made and a networking event will occur at the annual conference. Actions towards outcome has changed from 2 events to a social event at the annual conference partnered with another AC.	Plans to use the Two-Year Colleges AC newsletter, list-serv, and Facebook page to generate support to attend the social event at the annual conference.
