Identify and remove barriers to accessibility of all opportunities for engagement and professional growth in the association to foster equity and inclusion for all members.	Social media/social-focused outreach	Educate the community members by sharing meaningful information through social media Communication-post GEC events announcements	We will use Facebook to update members about the community activities, identify relevant short videos and other sharable materials that educate the membership on various issues	We will work with other communities to advertise our events.	The challenge will be creating and getting the content in a timely manner to post on social media. Our recent survey requested for someone interested in updating our Facebook page.		

Develop innovative and expanded opportunities for professional development that are relevant across the global contexts of academic advising.	Professional Development webinars and workshops that incorporate perspectives from other countries South Africa, UKAT, Japan and China	Identify relevant topics to share best practices through webinars and workshops Identify and collaborate with global partners to share their advising models	The subcommittee will identify webinar and workshop topics based on a recent survey to GEC membership	We will collaborate with the Global Initiatives Committee, the International Students Community as well as the Advisor Training Community	Advertising the events on a timely basis. We will also work in close collaboration with our cluster rep and EOP for guidance.
