Goal #7: Expand the use of innovative technology tools and resources to support the work of the Association.	The Division Reps and EO Liaison have an organized system for communication management with ACCs.	The Division Reps and EO Liaison will explore database options to find a viable solution for tracking communication with ACCs. The Division Reps and EO Liaison create a communications plan.	There will be fewer inquiries as to why leaders are being cc'd into e-mail conversations. There will be fewer e-mails regarding who is responding to which questions, when, and how. There will be fewer listserv e-mails sent out, and e-mails will be more comprehensive on their information.	Tracy Griffith and Rebecca Hapes (Cluster Reps) will be great resources for creating the communication plan. The tech specialists of the NACADA EO will be useful resources for identifying and implementing a database system for communication management.	With the restructure, it is expected that there will be an increase in questions related to what each ACC is responsible for and how to fulfill their responsibilities. The ACD Steering Committee will be very helpful in making sure accurate information is sent out accurately and timely.	Managing all communication is quite a task. We have developed communication timelines and templates for chairs and cluster reps. In order to alleviate the concerns with we had in respect to communication issues. We no longer feel an electronic database is necessary.	None

<p>Goal #4: Foster inclusive practices within the Association that respect the principle of equity and the diversity of advising professionals across the vast array of intersections of identity.</p> <p>Goal #5: Develop and sustain effective Association leadership.</p> <p>Goal #6: Engage in ongoing assessment of all facets of the Association.</p>	<p>The restructure of the Advising Community Division is complete by Annual Conference 2018 with the exception of election of Chairs from former Interest Groups.</p>	<p>The ACD puts in place and approves policies and practices related to the following areas affected by the restructure:</p> <p>The 2019 election cycle</p> <p>Advising Community-Sponsored sessions for the 2019 Annual Conference</p> <p>Becoming an Advising Community</p> <p>Rubrics for maintaining active status for ACs and ACCs</p> <p>Financial support for former IG Chairs for the 2018 Annual Conference</p> <p>ACD Service Awards</p>	<p>Half of former IG Chairs volunteer or are selected to enter the election cycle for the 2019-2021 term.</p> <p>100% of ACCs participate in the Annual Conference proposal and sponsorship review process.</p> <p>The process for becoming an AC is shortened by one year.</p> <p>100% of ACCs are actively involved as leaders of their groups, and foster active participation by their membership.</p> <p>100% of former IG Chairs have financial support to attend the 2018 Fall Division training.</p>	<p>ACD Steering Committee workgroup will be responsible for identifying half of former IGs to enter the 2019 election cycle. This will involve collaboration with Cathy Swartz of the EO.</p> <p>Rhonda Baker and Farrah Turner will be involved in the AC-Sponsored Sessions process.</p> <p>The Assessment in Advising Community will be an excellent group to consult with for establishing rubrics.</p> <p>The Finance Committee will need to approve the supplemental budget request for 2018.</p>	<p>Considering the association-wide support for this restructure, there are no foreseeable issues with these tasks. However, the ACD Reps and Cluster Reps will meet monthly to ensure these tasks are completed, and that any confusion is cleared.</p>	<p>Working groups have completed their tasks and procedures/docs have been updated online. The Reps and EO Liaison will be communicating new items to chairs at Division meeting at annual.</p>	<p>Reps and EO Liaison are working on clearer policies and procedures for evaluating and archiving communities, if needed. Continued work needs to be done on finalizing transparent policies for evaluation of communities.</p>

<p>Goal #5: Develop and sustain effective Association leadership.</p>	<p>All ACCs attend the 2018 Annual Conference, participate in the training, fair, and business meetings, or have suitable replacements for coverage of conference activities.</p>	<p>Training materials and communication to Chairs will need to be more explicit regarding the expectations of Chairs attending the Annual Conference and fulfilling their responsibilities. The rubric will also be very helpful.</p>	<p>100% of ACs are represented at the ACD Fair at Annual Conference 2018.</p> <p>100% of ACs have representation at their Business Meetings with confirmations one month prior to the conference.</p>	<p>The ACD Steering Committee will be very helpful in communicating the expectations that being a Chair has responsibilities that are mandatory to complete rather than perceived as flexible or just not necessary.</p>	<p>Part of Chair rubrics might need to involve communication plans that if Chairs do not respond to, contingency planning is established and/or a process for removing an inactive Chair.</p>	<p>This goal cannot be assessed on its completion until after annual. We have had a few chairs that will be unable to attend annual, but they are working to get substitutes for their commitments.</p>	<p>Use of rubrics and clearer evaluation of chairs and communities will aid in this goal in the future.</p>
