

Cluster Summary Report – 2015 Post Conference

Cluster Name: Advising in Academic Programs II

Cluster Steering Committee Member: Angie Walston

Common Goals or Themes (if any): Development of active commission steering committees to develop and sustain Association leadership.

Individual Goals and Progress to Completion for each CIG:

C/IG: Liberal Arts Advisors Commission

- Establish an ongoing, active Commission Steering Committee of more than two members
 - Steering Committee names not submitted as of 11/16/15
- Establish additional/ongoing objectives and goals informed by the commission members

C/IG: STEM Advising Commission

- Create a guide for STEM advising for NACADA publication
- Create an active commission steering committee
 - Steering committee names submitted 11/17/15
- Sponsor an AcAdv Chat on Twitter for STEM advising hot topics
