

Cluster Summary Report – 2015 Post Conference

Cluster Name: _Advising Specific Populations III_____

Cluster Steering Committee Member: _Amanda Mather_____

Common Goals or Themes (if any):

Each group want to continue to utilize or create a Steering Committee to get more members involved, as well as reaching out to make sure the memberships' needs/wants are addresses.

Each group also wants to increase professional development and proposal submission/acceptance for annual conference, as well as using available technology/social media, etc to better communicate with their members.

Individual Goals and Progress to Completion for each CIG:

C/IG: ___Undecided and Exploratory Students_(C)_____

- Recognition of CUES contributors; outreach by SC members, emails
- NACADA web event on CUES topics; webinar proposal, potential cooperation with Career Advising IG
- Steering Committee member elected to Chair position

C/IG: ___LGBTQA Concerns_(C)_____

- Create online training about LGBTQA topics, make available to any NACADA member
- More proposals, sessions about LGBTQA topics at conference

C/IG: ___Multicultural Concerns (C)_____

- Create steering committee, recruit volunteers to serve, encourage proposal submission
- Utilize tech to reach out to membership (listserv, alternate communication options like social media)
- Professional development to advisors outside of conferences: NACADA webinars, MCC newsletter, other training options as identified by membership

C/IG: ___High School to College Advising (IG)_____

- Increase professional development opportunities, encourage proposal submission
- Develop pocket guide for HS to College advising
- Establish partnerships with organizations that serve the HS to College student population

C/IG: ___Probation/Dismissal/Reinstatement Issues (IG)_____

- Use Facebook to communicate with members about IG- related events
 - Re-establish steering committee, reach out to membership to recruit volunteers to serve
 - Look at broader picture for higher ed policies related to PDR, rather than at just campus level
 - Panel session by members on PDR, likely during the IG meeting time at conference.
-

What support is needed for your cluster from the Division Reps or EO?

Guidance, as requested by C/IG, in creating steering committees, reaching out to membership, utilizing technology.

Assistance, as requested, in setting up professional development opportunities outside of annual conference- webinars, pocket guides, etc.

Additional Items of Note:
