

Cluster Summary Report – 2015 Post Conference

Cluster Name: Institutional Type_____

Cluster Steering Committee Member: Zoranna Jones_____

Common Goals or Themes (if any):

Seek new steering committee members that represent all regions
Get members more actively involved using emails/listserv communication

Individual Goals and Progress to Completion for each CIG:

C/IG: Large Universities_____

- Complete benchmarking project to identify organizational structure of advising at large universities and make available on NACADA website
- Draft benchmarking survey and distribute to representatives of large universities
- Actively utilize interest group listserv to connect advisors at peer institutions
- Email large university IG listserv to announce when benchmarking results are available and to share quarterly announcements

C/IG: Small Colleges and Universities_____

- Increase SCUC member awareness of NACADA scholarly options
- Share “successful practices” amongst commission members
- Collaborate with other commissions
- Increase membership in Facebook page and Twitter
- PDF version of monograph with new articles published on SCUC site.
- Recruit authors
- Get members from various institutions actively involved
- Active steering committee

C/IG: Two-Year Colleges_____

- Six of the ten regional conferences will have a Two-Year Colleges roundtable discussion facilitated by Commission members
- Current steering committee members will recruit new steering committee members from their professional networks.
- Create a commission wide email to recruit new steering committee members
- 2016 Annual Conferences presentation proposals submitted by persons from a two-year college will increase by 10% from the 2014 Annual Conference.
- Each NACADA Region will be represented on the commission steering committee

C/IG: _____

- -
 -
-

What support is needed for your cluster from the Division Reps or EO?

Distribute survey, emails, and correspondence from C/IG through EO

Make completed survey results from Large Universities available on NACADA website to be used as a resource

Assist with concept for small college monograph

Two- year colleges commission would like EO to compare presentation proposal data from 2014 to presentation proposal data from 2016

Additional Items of Note:

SCUC would like to have their commission meeting to be placed on day one of the conference
