

**Division Unit Report for Faculty Advising Community  
Submitted by: Samantha Gizerian, November 2018**

1. NACADA Strategic Goal(s)	2. Specific desired outcome	3. Actions, activities or opportunities for outcome to occur	4. Outcome measurements & related data instrument(s)	5. Other groups or individuals to connect	6. Anticipated challenges	7. Progress toward outcome	8. Future action(s) based on data
Develop and sustain effective Association leadership	Increase the membership of the Faculty Advising Community Steering Committee	<ol style="list-style-type: none"> <li>Develop a timeline and strategy for identifying new steering committee members.</li> <li>Establish roles and expectations for steering committee members</li> </ol>	<ol style="list-style-type: none"> <li>More than three active members of the steering committee, including at least two members who were not steering committee members in 2017-2018.</li> <li>Documented roles and expectations for process for steering committee members.</li> </ol>	Other advising communities who have successfully grown their steering committees and/or have implemented sustainable leadership structures will serve as examples for this work.	Although there is an active steering committee, roles are not currently well defined and members may not want to volunteer for a position they will help define.		
<ol style="list-style-type: none"> <li>Expand and communicate the scholarship of academic advising</li> <li>Provide professional development opportunities that are responsive to the needs of advisors and advising administrators</li> </ol>	Collaborate with other advising communities to engage the membership in shared dialogue about faculty advising and advising scholarship via a spotlight series or similar activities	<ol style="list-style-type: none"> <li>Contact potential collaborators.</li> <li>Determine appropriate venue(s) for activities</li> <li>Organize and conduct identified activities.</li> </ol>	Learning outcomes for each activity/session will be developed as part of the planning process, based on the content of each activity/session, and will be assessed after each activity/session.	Based on membership interest, potential collaborators include the NACADA Center for Research and the following Advising Communities: Small Colleges and Universities, Advising Administration, Advisor Training and Development, and/or Assessment of Advising.	<ol style="list-style-type: none"> <li>Identification of areas of common interest between advising communities.</li> <li>Identification of speakers/panelists/etc.</li> <li>Scheduling events at times that are convenient for a large number of community members</li> </ol>
