

This survey contains two sections and should only take a few minutes to complete. For **SECTION ONE**, your academic advisor will review your responses to plan for your future advising sessions. For **SECTION TWO**, your responses will remain anonymous to your academic advisor. Your participation is voluntary, and we value your thoughtful feedback.

Student ID Number: \_\_\_\_\_

**SECTION ONE:** Your responses to the following items will allow your academic advisor to personalize your academic advising to best meet your individual needs in future sessions.

For each row, please select the statement that most closely matches you of the three options.

Learning Outcomes	Column 1	Column 2	Column 3
<b>Understand Requirements</b>	I do not yet understand degree requirements (e.g., classes, grades, credits)	I understand my degree requirements, and the courses I need to take	I understand my degree requirements, know the courses that I need to take, and have a clear sense of when I will graduate
<b>Resourcefulness</b>	I am not yet sure when or where to ask for help	I am aware of people and resources on campus that would support my success, but I do not use them as frequently as I should; I am sometimes uncomfortable approaching professors, advisors, and other staff members with questions	I ask for help and seek out the resources I need when necessary; I generally feel comfortable approaching my professors, advisors, and other staff members with questions
<b>Prioritization</b>	I have trouble prioritizing tasks and meeting deadlines	I know my priorities, but sometimes have trouble managing my time	I know my priorities and have an organized way to meet deadlines; I make adjustments to maintain balance when faced with challenges
<b>Major Selection and Career Exploration</b>	I have not yet selected a major	I have selected or am close to selecting a major; I am actively exploring options and taking coursework in my areas of interest	I have selected a major that I am confident is consistent with my values and long-term goals; I am exploring or pursuing related careers
<b>Experiential Learning</b>	I have not yet engaged in college community activities, events or study groups	I am engaged somewhat in campus activities, community events, or study groups	I am engaged in the college experience; I participate in campus community events and study groups as much as I can to get the most out of my education

<b>Professional Development</b>	I do not know what I should be doing to prepare for my professional and/or career goals.	I am aware of steps I can take to prepare to meet my future professional goals, but have not yet started, or have tried and encountered obstacles	I am preparing for my professional future by engaging in internships, student involvement opportunities, job shadowing, informational interviews, research, or other activities
<b>Meaning and Value</b>	I am not sure how college will help me in the future.	My education is meaningful because it will help me find better job opportunities and make more money	In addition to providing a better job outlook for me, I also see my education as meaningful and transformative because of what I am learning about myself and the world I live in
<b>Responsibility</b>	Circumstances outside of my control frequently influence my ability to succeed and prevent me from taking action toward my goals	I know my actions affect my ability to succeed, but my actions are not regularly consistent with my goals	I know my actions affect my ability to succeed, so I tend to take purposeful actions in pursuit of my goals
<b>Growth Mindset</b>	I tend to stick to what I know I am good at	I can face new challenges if I am supported but tend to give up if it is too hard or if I am not making progress	I can persist even if something is difficult because I see challenges as part of the learning process
