COMMUNITIES

TRANSFER TUESDAY: MONTHLY NEWS FROM THE ADVISING COMMUNITY ON TRANSFER STUDENTS MAY 2022

Welcome to our May newsletter! This is such an exciting month for our graduates and it's so rewarding to see them take their next steps. Given that most of us are focused on graduation right now, this newsletter is designed to be a quick read! As always if you have any suggestions for us please email Jennifer Brown at jb26@hawaii.edu.

If you know someone who would benefit from joining our community, please forward this message to them. For those of you who are new to the group this month, welcome! We have a lot of ways to engage members and we rely on you to help make this group as robust as possible. Whether it is engaging with our listserv (directions on how to join can be found by [clicking here](#)), our [Facebook](#) and [Twitter](#) accounts, or attending an event, this group is what you make of it.

This message will include:

- 1) May Transfer Talk
- 2) NACADA Annual Conference
- 3) Recent Listserv Threads

Transfer Talks

May Transfer Talk: Bring Your Own Topic

Wednesday, May 25 - 2pm CST | [Register in advance for this meeting](#)

This session is designed as an open-ended Bring Your Own Topic (BYOT) conversation. Join us and discuss anything that is on your mind pertaining to advising transfer students!

NACADA Annual Conference 2022

Registration is now open for NACADA's 2022 Annual Conference - *Building Bridges: Honoring our Past, Celebrating the Present, and Preparing for the Future* - in Portland, Oregon from October 23-26! Early bird registration is open until September 8th. NACADA is offering both an in-person and a virtual ticket for the experience. Check out the [Annual Conference website](#) for more information related to costs, what is included in each ticket type, and more!

Listserv Threads Last Month

The listserv has been fairly quiet through April and early May as we have all been busy with peak registration time, graduation audits, and so much more. There was just a few pieces of information shared:

- An inquiry related to transfer student leadership opportunities within conferences/organizations. Responses focused on STEM-based and NISTS opportunities. (Thread April 28)
- Share out of NASH's Power of Systems Transfer Report (April 28)
- An inquiry related to outgoing transfer credits/agreements and financial aid implications (May 5)
- Questions related to what transfer events look like in a "post pandemic area" (May 6)

As a reminder from NACADA Leadership: Job postings are prohibited on NACADA Listservs. Please make sure to use NACADA's Position & Announcement site instead.
