TRANSFER TUESDAY: MONTHLY NEWS FROM THE ADVISING COMMUNITY ON TRANSFER STUDENTS SEPTEMBER 2022

Welcome to our September newsletter! What a busy month for advisors! Our committee has been so busy that we forgot to send this newsletter out on Tuesday, and we know you're just as busy as we are right now, so this month's newsletter is short and sweet! Please see below for details regarding tomorrow's Transfer Talk and Nacada's Annual Conference.

As always if you have any suggestions for us please email Jennifer Brown at jb26@hawaii.edu. If you know someone who would benefit from joining our community, please forward this message to them. For those of you who are new to the group this month, welcome! We have a lot of ways to engage members and we rely on you to help make this group as robust as possible. Whether it is engaging with our listserv (directions on how to join can be found by [clicking here](#)), our [Facebook](#) and [Twitter](#) accounts, or attending an event, this group is what you make of it.

This message will include:

- 1) Transfer Talks
- 2) NACADA Annual Conference
- 3) Recent Listserv Threads
- 4) Resource/Research Highlight

Transfer Talks

Celebrating our Transfer Students during National Transfer Student Week
Thursday, September 15 - 3pm CST | [Register in advance for this meeting](#)

Do you have plans to celebrate your transfer students during National Transfer Student Week (NTSW) October 17-21, 2022? This week, promoted by the National Institute for the Study of Transfer Students (NISTS), gives all of us the opportunity to celebrate and advocate for our

students who have or will transfer. We will be joined by Emily Kittrell, Assistant Director of NISTS, who will share examples from schools who are active in NTSW. Come join us to share what your campus is planning for this year, and hear from others about activities planned on their campuses. We will also engage in conversation about what National Transfer Student Week is all about!

Listserv Threads Last Month

The listserv has been relatively silent since the end of June as I'm sure we have all been busy with orientations, fall/autumn planning, and diving into the start of the term. As a reminder, the listserv is a great way to engage with our community asking great questions and sharing research, readings, and promising practices.

- Inquiry related to affordability & transfer pathways work (September 12)

As a reminder from NACADA Leadership: Job postings are prohibited on NACADA Listservs. Please make sure to use NACADA's Position & Announcement site instead.
