## Transfer Talks

Celebrating our Transfer Students during National Transfer Student Week  
*Thursday, September 15 - 3pm CST | RECAP*

Approximately 40 colleagues joined Emily Kittrell, Assistant Director of NISTS, to engage in discussion around National Transfer Student Week (NTSW) coming up quickly on October 17-21, 2022. Emily shared a variety of examples related to both celebrating transfer student success and educating campus communities through in-person and virtual events, as well as

social media campaigns. Both the chat and the conversation were hopping, and we can't wait to see what our communities come up with to celebrate this year!

## Listserv Threads Last Month

The listserv has been relatively quiet leading up to the Annual Conference. As a reminder, the listserv is a great way to engage with our community asking great questions and sharing research, readings, and promising practices.

- Inquiry and responses around enhancing Career & Technical Education (CTE) mobility (September 30)

*As a reminder from NACADA Leadership: Job postings are prohibited on NACADA Listservs. Please make sure to use NACADA's Position & Announcement site instead.*
