TRANSFER TUESDAY: MONTHLY NEWS FROM THE ADVISING COMMUNITY ON TRANSFER STUDENTS

MAY 2023

We've made it through another academic year and now we get to celebrate graduation season! This newsletter will be short and sweet – we know everyone is busy during this time of year.

As always if you have any suggestions for us, please email Monica Cottrell at cottrellm@moravian.edu. If you know someone who would benefit from joining our community, please forward this message to them. For those of you who are new to the group this month, welcome! We have a lot of ways to engage members and we rely on you to help make this group as robust as possible. Whether it is engaging with our listserv (directions on how to join can be found by [clicking here](#)), our [Facebook](#) and [Twitter](#) accounts, or attending an event, this group is what you make of it.

Looking for a way to be more active in the Transfer Community? Please fill out this [interest form](#) to let us know!

This message will include:

- 1) Transfer Talks
- 2) Recent Listserv Threads
- 3) NACADA Annual Conference 2023
- 4) Publication Spotlight - Call for Submissions

Transfer Talks

April Transfer Talk: Using Data to Support Transfer Students

Thursday, April 20 - 2pm Central | RECAP

Our Advising Community for Transfer Students was joined by Dr. Wendy Troxel and Dr. Sean Bridgen for this month's discussion. After a brief presentation embedded with discussion questions, over 40 participants had the opportunity to ask additional questions and brainstorm ideas for use on their own campus. Dr. Troxel graciously shared her presentation with us and it

is available in the [Advising Community for Transfer Students Resources Google folder](#), within the Assessment folder.

May Transfer Talk: Bring Your Own Topic

Thursday, May 18 - 2pm CST | [Register Now](#)

This session is designed as an open-ended Bring Your Own Topic (BYOT) conversation. Join us and discuss anything that is on your mind pertaining to advising transfer students!

Recent Listserv Threads

The listserv is a great way to engage with our community asking great questions and sharing research, readings, and promising practices. The listserv just had one topic of discussion since our last newsletter, so check it out!

- Inquiry about promoting need-based transfer scholarships (5/4/2023)

As a reminder from NACADA Leadership: Job postings are prohibited on NACADA Listservs. Please make sure to use NACADA's Position & Announcement site instead.

NACADA 2023 Annual Conference

Registration is now open for *Reimagine the Magic of Academic Advising* in Orlando, Florida from October 4-7! Sign-up by August 16 to take advantage of the early conference fee. Check the [conference website](#) to register, and check back often for updates and conference activity information.

Publication Spotlight

We hope you've enjoyed our Publication/Research Spotlights the past few months. Submitting an item for this section of the newsletter is a great way to get involved with the community on your own time, especially if you're unable to make it to virtual or in-person events throughout the year.

If you are interested in contributing to the newsletter in this way, please reach out to equimond@ccsnh.edu for more information about parameters and expectations!
