

NACADA Monthly Highlights

February 2021

REI Work Group Updates:

- **Leadership training continues on February 5th, April 9th, and June 4th from 1 to 3 p.m. CT.** While developed for NACADA leadership and focused on race, ethnicity, and inclusion, all members can access **past training** links on the REI [website](#) including videos and articles. (Discussion board access currently limited to leaders.) Trainings are developmental and designed for sequential viewing; **member log-in is required.**
- Members of the [Education Subcommittee](#), [IEC](#), [LGBTQA+ ACD](#) and [EO](#) are jointly developing a **conference proposals evaluation training video** to facilitate process consistency and inclusivity.
- The [Communication Subcommittee](#) is drafting a diversity and inclusion statement while also reviewing a land acknowledgment statement for use on the REI website.
- Self-nominations are being accepted to serve on the newly created [Assessment Subcommittee](#). As a subset of the full Work Group, these members will **help gauge the impact of REI initiatives across the association.** If you have a research background and interest, please contact Quentin Alexander, subcommittee chair, at galexand@gmu.edu.
- **Dialogue Box Reminder:** Your experiences and thoughts on improving the Association in the areas of race, ethnicity, and inclusion are welcome and can be submitted **anonymously** at the above link.
