

2022 NACADA Region Conference Exhibitor Information and Contract

On behalf of NACADA, we invite you to consider exhibiting at our Region Conferences.

Attendees at NACADA's ten regional conferences are advisors/counselors, faculty, and academic and student affairs administrators representing two-year, four-year, and graduate level institutions of higher education. They work in advising, testing, registration, student support services, assessment, and special needs, as well as in career planning and placement offices. Visit nacada.ksu.edu for more information on NACADA and the ten regions.

This is an excellent opportunity for you to introduce and display your services or products to conference delegates who are instrumental in implementing change and using new products and services on campus. Our membership is involved in all areas influencing student success at institutions of higher education throughout the country. We provide an excellent chance for you to meet face-to-face with the decision-makers in such areas as integrated software, study abroad programs, career planning and placement, distance learning, enhancing student retention, textbooks, student record and tracking systems and all other areas influencing student success.

For additional exposure, NACADA also offers exhibitors the chance to co-sponsor conference events, meal functions, or registration materials. Unable to staff an exhibit table but would be interested in having your information available? Opt for the "ad only" and make sure the participants can connect to your website or you!

If your company is interested in reaching academic advisors and administrators at colleges and universities, complete the contract to reserve your table and/or ad space. Please do not hesitate to call if you need additional information. We hope that you will join us as an exhibitor at our Regional Conferences! For more information on the Regional Division, visit nacada.ksu.edu/Community/Regions.aspx.

Register at least 30 days prior to the conference!
