Region 10 Goals

- Increase opportunities for Region 10 members to connect with advisors within the region.
- Provide stronger transition when leaders transition into/out of Steering Committee positions.

Region Chair Updates

- Region 10 Operating Principles – updated OP template has come out from the Region Division Reps. A few points of interest:
 - Procedure for amendments to Operating Principles being streamlined across all regions. Any member can submit a suggested amendment, including steering committee members.
 - Terms of office to be streamlined across all regions; newly elected members will start their term at region conference. Nominations in November, elections in December/January, prior to the NACADA General Election.
 - Unexpected vacancies – added language specific to area liaisons.
- Region conference 2023 – Arizona! We need to start talking about who might have interest in taking this on.
 - Conference Chair application (any feedback on these seven questions? I'll put this into an application to be shared on social over the summer.)
 - Are you a current member of NACADA?
 - What prior experience(s) have you had with NACADA at the regional, state/area, institutional or national level (past NACADA activities, positions and/or honors or any institution committees/positions)?
 - Describe the skills and areas of expertise/talent you possess that will assist you in this position. Please include an example of where you successfully managed a task through long distance correspondence.
 - Do you have support from your institution/supervisor if you serve in this position?

- How have you championed diversity/equity/inclusion on your campus or in other leadership positions? Please provide specific examples.
 - What are the objectives/goals you would strive to accomplish in this position?
 - From your perspective, what are the major issues and priorities facing higher education and/or academic advising? Can they be addressed through the position you are applying for and if so, how?
- Elections timeline
 - Up for election in 2021:
 - Liaisons up for 2022-2024 cycle (elected in late 2021): 2 yr AZ, 2 yr CO, 2 yr NM, 2 yr WY
 - Four-year Liaisons (4 yr AZ, 4 yr CO, 4 yr NM, 4 yr UT) – next round will be elected in 2022, will start in 2023.
 - Colorado: Amy will stay on for an additional one-year appointment.
 - Arizona: Katie will stay on for an additional one-year appointment.
 - **New Mexico: Looking for interest! Please contact me if you know someone (or are someone) interested!**
 - **Utah: Clint is willing to stay on for an additional one-year appointment.**
 - Chairs: Communication, Mentoring Program, Technology (these will all be elected in 2021 and serve 2022-2024)
 - We will hold elections in December on the new timeline. Those with a term ending in 2021 will transition out at 2022 Regional. Those with a term ending in 2022 will transition out at 2023 Regional.
 - Please let me know if you don't think you'll be able to fulfill your full term. I understand this extends terms beyond the elected timeline you agreed to when you signed on!
- Transition worksheet – these will be ready by Annual.
- Call for Authors – Advising is Forever: Sharing Stories to Ignite (or Reignite) Your Advising Spirit: <https://nacada.ksu.edu/Portals/0/Resources/Publications/documents/Call%20for%20SubmissionsAT.pdf>
 - Author Agreement: <https://nacada.ksu.edu/Portals/0/Resources/Publications/documents/PGAuthorAgreement2021update.pdf>
- What do July and August look like for folks? Considering email meetings over the summer, as I know many of us have significant responsibilities changing in the summer, as well as summer vacations.
 - We will keep meetings on the schedule for now, just in case major discussion items come up, but July and August will likely be email meetings.

- **Communications (Jared) –**
Unfortunately, Jared needed to step down from this position. We'll need to appoint an interim person to the role – that person would serve through the Region 10 conference in 2022 and would be eligible to run for the position later this year, if interested. Please share with your networks and have interested people contact me!
