Region 10 Goals

- Increase opportunities for Region 10 members to connect with advisors within the region.
- Provide stronger transition when leaders transition into/out of Steering Committee positions.

Region Chair Updates

- Daylight Savings Time - for those of us in New Mexico, Colorado, Utah, and Wyoming. Arizona does not change – please keep this in mind when scheduling region business meetings (Ten Talks, Diversity Committee, etc.) and talking about when they will be.
- Region 10 Operating Principles – updated OP template has come out from the Region Division Reps. A few points of interest:
 - Procedure for amendments to Operating Principles being streamlined across all regions. Any member can submit a suggested amendment, including steering committee members.
 - Terms of office to be streamlined across all regions; newly elected members will start their term at region conference. Nominations in November, elections in December/January, prior to the NACADA General Election.
 - Unexpected vacancies – added language specific to area liaisons.
- Region conference 2023 – Arizona! We need to start talking about who might have interest in taking this on.
 - Region 4 recently put together a Region Conference Chair application – thoughts on doing something similar? These have been chosen pretty informally in the past. Here are the 7 questions they are using:
 - Are you a current member of NACADA?
 - What prior experience(s) have you had with NACADA at the regional, state/area, institutional or national level (past NACADA activities, positions and/or honors or any institution committees/positions)?
 - Describe the skills and areas of expertise/talent you possess that will assist you in this position. Please include an example of where you successfully managed a task through long distance correspondence.

- Do you have support from your institution/supervisor if you serve in this position?
 - How have you championed diversity/equity/inclusion on your campus or in other leadership positions? Please provide specific examples.
 - What are the objectives/goals you would strive to accomplish in this position?
 - From your perspective, what are the major issues and priorities facing higher education and/or academic advising? Can they be addressed through the position you are applying for and if so, how?
- Elections timeline – Working with executive office on these to determine how to best move forward with updated operating principles that change position timelines.
 - Up for election:
 - Liaisons up for 2021-2023 cycle: 2 yr AZ, 2 yr CO, 2 yr NM, 2 yr WY
 - Four-year Liaisons (4 yr AZ, 4 yr CO, 4 yr NM, 4 yr UT)
 - Colorado: Amy will stay on for an additional one-year appointment.
 - Arizona: Katie will stay on for an additional one-year appointment.
 - New Mexico: Mia is unable to stay on; please let me know if you have interest in the position or know someone who might!
 - Utah: If no response by May 30, please let me know if you have interest in the position or know someone who might.
 - Chairs: Communication, Mentoring Program, Technology (these will all be 2021-2023)
 - UPDATE: providing this works with the Executive Office, we will hold elections in December on the new timeline. Those with a term ending in 2021 will transition out at 2022 Regional. Those with a term ending in 2022 will transition out at 2023 Regional.
 - Please let me know if you don't think you'll be able to fulfill your full term. I understand this extends terms beyond the elected timeline you agreed to when you signed on!
- Update on Zoom policy – events (Ten Talks, Mentoring Program meet & greets, etc.) still need to go through a KSU/NACADA zoom. Meetings (committee meetings) do not need to any longer.
- I'd like to start working on a transition worksheet of sorts – what would have been helpful to know coming into your position? I'd like to have these sheets ready by mid-May so that those of you transitioning out at Annual can have this ready for your successor.
- Shared Region Budget, will meet individually with those who have monetary needs for their area. If you have ideas for ways to use the budget to assist your area, please let me know ASAP!
