Region 10 Operating Principles

<https://nacada.ksu.edu/Portals/0/Community/Regions/Region%2010/2017/Documents/Operating%20Principles%20for%20Region%2010%20-%206%2013%20proposed.pdf>

Region 10 Goals

- Increase opportunities for Region 10 members to connect with advisors within the region.
- Provide stronger transition when leaders transition into/out of Steering Committee positions.

Region Chair Updates

- Budgeting is changing a bit moving forward. Functionally, most of you will not feel any of the impact from this. Each region will receive a \$10,000 budget each year to cover expenses (separate from the conference budget), and there will be no carryover.
- Update on Zoom policy – events (Ten Talks, Mentoring Program meet & greets, etc.) still need to go through a KSU/NACADA zoom. Meetings (committee meetings) do not need to any longer.
- I'd like to start working on a transition worksheet of sorts – **what would have been helpful to know coming into your position?** I'd like to have these sheets ready by mid-May so that those of you transitioning out at Annual can have this ready for your successor.
 - Elections – 7 of our 10 state liaison positions transition in 2021; thoughts on trying to balance this a bit more (i.e. potentially elect some positions to a 1-year term to have half the state liaisons elected in odd years and half in even years)?
 - Definitely interest in modifying this.
 - 4 yr and 2 yr should alternate? Or geographical and staggered?

State Liaison Updates

- Arizona
 - Katie: Continuing to send NACADA updates as they are sent out to partners at Arizona universities to be shared out. Will send updated contacts information ASAP.
 - Juan: Struggles compiling the advising contacts list
 - Look at NACADA membership list to see if the people on the list can help share how advising is designed at their institution.
- Colorado
 - Amy Q-S: Working through contacts list. Still hoping to work with Kate on two/four-year transitions and advisors
 - Kate: No update
- New Mexico
 - Mia: Has started dropping into New Mexico 4-Year Staff meetings – response has been overwhelmingly positive. So far she has met with New Mexico State University (30+ advisors in that unit) and the advisors from Eastern New Mexico University (approximately 5 folks). Her goal is to hit all the 4-year schools in NM by the end of her term in October.
 - Susan: No update
- Utah
 - Clint: No update
 - Cindy: Struggles with getting contact lists. (Shalece suggests reaching out to the UAA)
- Wyoming
 - Hailee: Working with advising directors to share NACADA information. Looking to see if that director has two-year institution contacts.
 - **VACANT:**
- Please send me your state liaison information by Friday, January 29th.
 - Action item for all state liaisons: Please find 2 contacts (and their contact information) at each institution of your type where you can send NACADA announcements. For instance, at my institution, I would list Latoya Noel and Sean Wernert. I'd like to have a full list compiled by our January meeting.

Committee Chair Updates

- Awards (Shalece): Service to Region 10 could not be awarded as no nominations were submitted during the awards period. However, the intent is to submit a nomination for Amy Sannes as soon as the 2022 cycle opens.
 - All award winners notified, gathering information for the Awards Ceremony at the Regional Conference.
 - No Travel Scholarships in 2021. Will still recognize 2020 Travel Scholarship winners.
 - Working on Best of Region process with Executive Office.
- Communications (Jared)
 - Facebook: NACADA Region 10
 - Instagram: NACADARG10
 - Twitter: @10NACADA
 - Looking into metrics. What other avenues could we explore for sharing information?
 - New page on the Region 10 site?
 - Could we incorporate our current social media into the page?
- Diversity (Carlos) – Met officially as a subcommittee on Jan 26, brainstormed a variety of events/programming/campaigns for the Region regarding diversity. Working on a survey for the region to get an idea of where we're at and what kinds of events/ideas are needed. Will solidify an event in the February meeting (2/23)

- Also looking for a podcast co-host – please feel free to share this with your networks, or if you’re interested, contact Carlos!
 - Looking to do an episode relating to diversity/social justice
 - Still brainstorming this year’s episodes
- Co-Host Needed: The NACADA Region 10 Podcast is currently seeking an enthusiastic communicator to co-host our podcast. The co-host’s responsibilities will focus on planning our show, researching the topic under discussion, sketching out questions and interviewing guests, and offering commentary that engages the Region as our audience. This would require no more than 1-2 hours of work per week, in order to coordinate 2-3 episodes a year, and put together quality episodes for the Region. For more information, please contact our other co-host, Carlos Tavares at Carlos.Tavares@asu.edu. Thank you!
- Mentoring Program (Ally) – Meet & Greet took place January 29th and went well; first round of questions out to mentor/mentee teams last week.
- Research & Scholarship (Amy B) – meeting again next week – reorganization of the committee.
- Technology (Landon)
 - Ten Talks – People have been hesitant to take on February. March/April/May are pretty set!
 - Will have February set by Feb 17th for communications purposes
 - 4th Wed. of the month, 12pm MST (During DST, 12pm MDT, 11am MST – Arizona)
 - Recordings on the R10 website: <https://www.nacada.ksu.edu/Community/Regions/Region-10.aspx>

Regional Conference Updates

- 2021 Conference (Amy Q-S & Sarah)
 - Virtual, combined with Region 6
 - Call for proposals
 - Final selections have been made, and proposal writers were notified with a due date of Feb 3. Jill & Kristen put together the schedule and submitted to the Executive Office. Hopefully it will be available on the website within the week.
 - Registration opened Tuesday, December 1
 - 66 registered as of 2/10/2021
 - 141 people have registered for 285 “spots” in the preconferences. Some are approaching capacity.
 - Shalece was part of a team that revamped the Best of Region process that will be in use for this year’s Virtual Regional Conference (and moving forward)
- 2022 Conference (Beth, Lauren, & Shannon): Waiting to hear more from Executive Office. April timing is not ideal for them given advising/registration schedules, so will likely try to schedule outside of that time.
