Region 10 Operating Principles

## Region 10 Goals

- Increase opportunities for Region 10 members to connect with advisors within the region.
- Provide stronger transition when leaders transition into/out of Steering Committee positions.

## Region Chair Updates

- Sunday starts Daylight Savings Time for those of us in New Mexico, Colorado, Utah, and Wyoming. Arizona does not change – please keep this in mind when scheduling region business meetings (Ten Talks, Diversity Committee, etc.) and talking about when they will be.
- Region conference 2023 – Arizona! We need to start talking about who might have interest in taking this on.
- Update – Steering Committee Zoom – will change to my zoom after this meeting
- Elections timeline – my thought is to advertise at region, hold elections at some point in the summer, transition at annual
  - Should we consider a longer overlap period that would allow our positions to be regional conference to regional conference? This would involve an update to our operating principles.
  - Up for election:
    - Liaisons: 4 yr AZ, 4 yr CO, 4 yr NM, 4 yr UT, 2 yr AZ, 2 yr CO, 2 yr NM, 2 yr WY
      - Thoughts on making 2 yr positions elected in odd years (so this election cycle would be for two years for those positions) and 4 yr positions in even years (so this election cycle would be for one year for those positions)

- Another option would be to appoint the 4 yr chairs to an additional year instead of running an election for those positions.
  - Steering committee prefers option B, asking current 4 year chairs to consider staying an extra year and appointing in the states where they are not able and/or interested.
- Chairs: Communication, Mentoring Program, Technology (these will all be 2021-2023)
- Update on Zoom policy – events (Ten Talks, Mentoring Program meet & greets, etc.) still need to go through a KSU/NACADA zoom. Meetings (committee meetings) do not need to any longer.
- I'd like to start working on a transition worksheet of sorts – **what would have been helpful to know coming into your position?** I'd like to have these sheets ready by mid-May so that those of you transitioning out at Annual can have this ready for your successor.
