  Amanda Everhart (UNC-Greensboro)
  Jennifer McLean (NC Community Colleges System)

2024 (SC) Conference co-Chairs (Term ends 2025)—
  Holly Williams (Clemson University)
  Megan Wong (Clemson University)
## Region Goals for 2022

<table>
<thead>
<tr>
<th>NACADA Strategic Goal</th>
<th>Region Goal</th>
<th>Action Items</th>
</tr>
</thead>
</table>
| Identify and remove barriers to accessibility of all opportunities for engagement and professional growth in the association to foster equity and inclusion for all members | Generate knowledge/awareness of opportunities to improve diversity, equity, and inclusion (DEI) efforts in Region 3 | • DEI Survey  
• R3 Chat DEI Focus Group |
| Provide practices that allow members to identify and cultivate their long-term professional development and engagement with the association. | Bolster connection of Region 3 members by providing more opportunities for engagement | • Increased posting through R3 social media (i.e., Facebook, Twitter, and Instagram)  
• R3 Chats via Zoom |
<table>
<thead>
<tr>
<th>NACADA Strategic Goal</th>
<th>Region Goal</th>
<th>Action Items</th>
</tr>
</thead>
</table>
| Identify and remove barriers to accessibility of all opportunities for engagement and professional growth in the association to foster equity and inclusion for all members | With data from 2022, continue building on diversity, equity, and inclusion (DEI) efforts through R3 Chats, conference sessions, and online platforms.                                                                                                                                                                                                                                                                                      | • Offer DEI-focused R3 Chats in 2022-2023  
• Review conference proposals with priority support of DEI topics  
• Develop an online, informal discussion option and access to directory-type information  
• Research member profile option for connections similar to NACADA conference app |
| Provide practices that allow members to identify and cultivate their long-term professional development and engagement with the association.                                                                 | Develop more funding opportunities to support member travel to NACADA events (e.g., Annual Conference, Region 3 Conference, and Institutes)                                                                                                                                                                                                                                                                           | • Redirect region budget funds to travel/registration scholarship options  
• Share options via social media, e-mail, and region website                                                                                                                                                                                                                                                                                           |
Finances

• The Region Budget is funded from an allocation from the General Fund ($7,500 USD)

• This money funds region initiatives (examples):
  • Awards and scholarships program
  • Giveaways (e.g., NACADA publications)
  • Region conference site selection and planning meetings
  • Support member engagement and resourcing initiatives (e.g., pocket guide mailings, speakers, etc.)
Prize time!
