Award/Scholarship Title: Region 4 Joyce C. Jackson Service Award

Award/Scholarship Description: Joyce C. Jackson was a lifelong educator. For over 30 years, she taught all ages and levels of school. She taught mathematics and physical education in grades 8-12. For the last 10 years of her life, she taught mathematics at Coastal Georgia Community College (formerly Brunswick College) and was actively involved in the academic advising and new student orientation program.

Joyce was not only loved, honored, and respected for her outstanding teaching and academic advising, but she was also most highly respected for her volunteerism and service to others; she clearly defined volunteerism through her work on Region and Annual Conferences. Joyce did not mind being a behind-the-scenes volunteer, and she thrived on helping in every way she could. NACADA and Region 4 were a love of her life. The Service Award is dedicated to Joyce in memorial of her love of NACADA, education, and her legacy of volunteerism in Region 4.
