

Childcare Options and Information

Conferences are vital forums for academic advisors. To support working parents, we have identified the following local childcare options. All childcare options are outside vendors. NACADA is not responsible for any interactions between participants and vendors.

Kama'aina Kids

Kama`aina Kids is the preferred childcare provider at the Hyatt Regency Waikiki Resort & Spa. Kama`aina Kids conducts guest service children's programs for hotels, and drop-in childcare for timeshare properties on Oahu and Maui. Our keiki clubs take advantage of the hotel's location and natural environment, often utilizing the pools, beaches and nearby tourist attractions.

Poppins Keiki Hawaii

Childcare located at Sheraton Waikiki Resort and Alohilani Resort. Do not need to be staying at these hotels to receive services.

Hourly, half day and full day programs.

Sheraton: 3 months - 12 years old

Alohilani: 5 years - 12 years old

808Nanny

808Nanny operates on the island of O`ahu in Hawai`i and is the fastest-growing childcare agency in Honolulu. We specialize in providing mobile childcare services to families on the island.

Nursing mothers

A lactation room with a mini-fridge is available for use throughout the conference. If you would like access, please stop by the Hospitality table to sign up.
