

## Summer Institute Intern/Faculty Interest Questionnaire

Are you interested in serving as a faculty member for an upcoming Summer Institute? If you would like to submit your name for consideration, please complete **BOTH SIDES** of the form. Your form will be submitted for review when the Institute Management Team begins to look at faculty members for the next Institute. The application is good for one year.

Participation as a faculty member for the Institute requires the faculty to be available for team conference calls, have the time/ability to develop presentations and PowerPoint slide shows, have the time available to travel in either late June or late July, and the willingness to participate in post-event contact with event participants.

**Please refer to the Faculty Interest web page:  
<https://www.nacada.ksu.edu/Events/Faculty-Interest.aspx>  
 for a complete listing of the Faculty Criteria and expectations related to this Institute.**

Please complete the form in its entirety with as many details as possible. Submission of the form does not indicate a placement as faculty in an upcoming Institute; it is simply an interest indicator. To be considered for an upcoming Institute, your form must be received by January of the year of the Institute.
